WAIVER OF NINETY (90) DAY DECISION PROVISIONS  
OF MUNICIPALITIES PLANNING CODE SECTION 508

Section 508 of the Pennsylvania Municipalities Code (53 P.S. s. 10508) requires this Board of Supervisors to render a decision and communicate it to the applicant not later than 90 days following the date of the regular meeting of the governing body or the planning agency (whichever first reviews the application) next following the date the application is filed, unless the next regular meeting occurs more than 30 days following the filing of the application, in which the 90-day period shall be measured from the 30th day following the day the application has been filed.

Situations occasionally arise in which necessary information is not received within this time period to permit the Board to make a decision. You are therefore requested to waive your right to have a decision rendered within 90 days, and agree to extend the time for decision of the Board.

By extending this time period, your rights to appeal to Court of any adverse decision will not be affected, and your thirty-day appeal period will not begin to run until the date the written decision is signed.

The undersigned, applicant(s) in this matter, have reviewed and fully understand the above statements, and do hereby waive the rights provided to us under M.P.C. section 508 with respect to having a decision rendered within ninety days. We hereby agree to extend the time for decision until \_\_\_\_\_
